- 2) The reward certificate is mailed with your renewal notice and may only be used towards purchases in Costco Wholesale UK warehouses within 6 months of the reward certificate being issued.
- 3) The Reward is capped at and will not exceed £400 for an Executive Trade member in any 12 month period.
- 4) The Reward must be used against one transaction.

- 3) Only purchases made by the primary or spouse cardholders in the UK will apply towards the Reward.

Calculation of Reward

The Reward programme is subject to the following restrictions:

- 1) Generally, Rewards are 2% of the purchase price of goods (exclusive of VAT), and will be calculated on most purchases by UK residents of goods through main at Costco Wholesale UK warehouses.
- 2) Rewards may not be calculated (i) cigarettes or tobacco related products, postage stamps or charitable donations; (ii) on purchases made by anyone other than the Executive Membership account primary or spouse cardholders; (iii) where prohibited by law; and (iv) on certain other categories of purchases that may be determined at Costco's discretion.
- 3) Rewards are accumulated until 3 months prior to the renewal date. Purchases made after then will count toward the next year's reward.
- 4) The reward will be calculated on the value of net purchases only, excluding coupons.
- 5) The period of calculation will run from the date of the Member's paid upgrade to Executive Membership or the Reward programme start date, whichever is later, through to the date 3 months prior to when Costco Wholesale mails the Member his/her next membership renewal notice. Purchases from the last 3 months will be added to the following year's Reward calculation.
- 6) If the Executive membership is downgraded to a standard membership before the Reward is mailed, all Rewards calculated up until that point will be lost. If the membership is upgraded again at a later date, the Reward calculation will start from the new upgrade date and any previous Rewards earned will not count towards the final Reward.

Use of Reward

- 1) Reward certificates may only be redeemed by the primary cardholder toward most purchases of most goods through the main checkouts at Costco Wholesale UK warehouses, and must be used within 6 months of the date the Reward certificate was issued.
- 2) Reward certificates may be used toward purchases of goods only; they have no cash value.
