The Instant Proof IP200 is a windshield mounted camera that continuously records video of the road as you drive. Protect your family, your vehicle, and your driving record by always having video evidence in the case of an incident. This dash cam is extremely easy to use. Simply mount, power, and drive!

**FEATURES:**

- Continuously records the road ahead in High Definition Video (1080P - 1920x1080 30fps)
- 120° viewing angle films the entire road while still maintaining focus directly ahead for reading license plate numbers
- Continuous Loop Recording – footage is stored in 3 minute segments. When the memory card fills up the camera automatically deletes the oldest segment to make room for the new
- File Lock – Automatic or Manual. If you don't want a clip to be overwritten simply click the File Lock button and the clip will be protected. Clips are automatically protected if an impact is detected
- The IP200 is ready to use and includes a 4GB MicroSD memory card, vehicle power adapter, and suction cup windshield mount so the unit is ready to use out-of-the-box
- G-Sensor – 3 axis accelerometer senses sudden accelerations and collisions and automatically protects footage surrounding the incident
