Safety and Care Advice

KEEPING OUTDOOR FABRIC LOOKING IT'S BEST IS SIMPLE AND EASY.

- Use a sponge or soft brush to apply mild soap and warm water to the fabric.
- Rinse thoroughly.
- Air dry.

FOR STUBBORN STAINS OR MILDEW:

- Add one cup of bleach per gallon of soap and water.
- Apply directly to the stain.
- Use a sponge or soft brush to clean.
- Rinse thoroughly.
- Air dry.
- If necessary, repeat with additional bleach.

Always rinse thoroughly. Bleach won't harm the fabric, but it could damage clothing if not rinsed away.

All-Weather fabric air dries very quickly. Machine drying is unnecessary and high heat may wash out any FR treatment.

STEP 2

Ensure all the screws are at the correct positions, using the allen key (Part H) to tighten up all the bolts.

STEP 3

Carefully turn the assembled Sofa, and double check all the bolts are fully tightened.

STEP 4
