

LG 5 Year Warranty Promotion:

Free 5 Year Warranty on Selected UK variant LG Refrigeration Products

Purchase a Qualifying Product (as listed in our terms) in the Territory within the Promotional Period and sign up within 90 days of purchase on <https://www.lg.com/uk/5yearwarranty> to receive a 5 year parts and labour warranty on your Qualifying Product (rather than the standard 2 years). Internet access is required. Terms and conditions apply, see below for further details (especially on the Promotion Periods).

Terms and Conditions

All refrigeration products sold by LG Electronics U.K. Ltd ("LG") come with a standard free 2 year warranty and this covers parts and labour.

Subject to you purchasing a Qualifying Product during the Promotional Period AND registering your Qualifying Product in accordance with these Terms and Conditions, the Promotion extends the standard warranty cover by a further 3 years, so you will receive a 5 year warranty in total running from the **date of purchase**. Please note, this offer does not apply to products purchased for commercial use.

Notwithstanding the duration, this 5 year warranty is also subject to the warranty conditions listed in the standard warranty literature that came with your Qualifying Product.

This 5 year warranty is distinct from (and in addition to) a 10 year (or 20 year for select models), parts only (not labour) warranty that LG gives on the Inverter Linear Compressor or Smart Inverter Compressor, which runs from the **date of purchase**.

To activate the promotional warranty please register your appliance at <https://www.lg.com/uk/support/product-support/product-registration> within 90 days of purchase.

These promotional warranty conditions are additional to, and complement the standard warranty conditions as supplied with the product.
