

## LG 5 Year Warranty Promotion:

### Free 5 Year Warranty on Selected UK variant LG Laundry Products

Purchase a Qualifying Product (as listed in our terms) in the Territory within the Promotional Period and sign up within 90 days of purchase on <https://www.lg.com/uk/5yearwarranty> to receive a 5 year parts and labour warranty on your Qualifying Product (rather than the standard 2 years). Internet access is required. Terms and conditions apply, see below for further details (especially on the Promotion Periods).

### Terms and Conditions

All laundry products sold by LG Electronics U.K. Ltd ("LG") come with a standard free 2 year warranty and this covers parts and labour.

Subject to you purchasing a Qualifying Product during the Promotional Period AND registering your Qualifying Product in accordance with these Terms and Conditions, the Promotion extends the standard warranty cover by a further 3 years, so you will receive a 5 year warranty in total running from the **date of purchase**. Please note, this offer does not apply to products purchased for commercial use.

Notwithstanding the duration, this 5 year warranty is also subject to the warranty conditions listed in the standard warranty literature that came with your Qualifying Product.

This 5 year warranty is distinct from (and in addition to) a 10 year (or 20 year for select models), parts only (not labour) warranty that LG gives on the Direct Drive Motor, which runs from the **date of purchase**.

To activate the promotional warranty please register your appliance at <https://www.lg.com/uk/support/product-support/product-registration> within 90 days of purchase.

These promotional warranty conditions are additional to, and complement the standard warranty conditions as supplied with the product.
