Marble & Granite Ltd has been a trusted name in bespoke stone surfaces for over two decades. With the M&G Collection, we invite you to explore a world where timeless design meets modern functionality. Quartz is not only beautiful—offering consistency of pattern, rich colour, and refined finish—it's also one of the most durable materials available. Non-porous and resistant to stains, scratches, and heat, quartz is the ideal surface for both residential and commercial spaces.

Every project we undertake is supported by a team of skilled professionals who ensure the finest workmanship from first consultation to final installation. Discover a collection that blends the best of nature with engineered innovation.

## Comprehensive Services Tailored to You

**From concept to completion, our team ensures your journey with Marble & Granite Ltd is seamless, transparent, and inspiring. We offer:**

**Consultation & Design:** Our team will understand your vision and advise on materials, colour, finish, and edging. Bring mood boards, samples, or just your ideas—we'll take care of the rest.

**Templating:** Our precision templating team uses digital and manual techniques to capture perfect dimensions, ensuring your finished pieces fit beautifully the first time.

**Fabrication:** Using state-of-the-art machinery alongside traditional finishing expertise, we cut, shape, polish and finish each piece to the highest standards.

**Installation:** Our courteous and qualified installation team works efficiently, minimising disruption to your home while delivering exceptional results.

**Bespoke, beautiful, and built to last.**

# Versatile Quartz Solutions for Every Space

**M&G Quartz is a versatile material with wide-ranging uses. Whether you're revamping a single room or undertaking a full property renovation, our surfaces are adaptable to suit your space:**

**Kitchen Worktops & Islands:** A practical, stylish centrepiece that resists stains, marks, and daily wear.

**Bathroom Vanity Tops:** Create a serene retreat with moisture-resistant quartz that offers both elegance and hygiene.

**Fireplace Surrounds:** Add sophistication and drama to your living space with fire-safe, heat-resistant quartz cladding.

**Bespoke Furniture & Walls:** From custom dining tables to statement splashbacks, we fabricate creative, one-of-a-kind solutions.

**Whether your style is minimalist, traditional, industrial or luxurious, M&G Quartz can be tailored to suit your interior vision.**

## Inspiration Gallery

Let our completed work inspire your next project. Whether it's a contemporary white kitchen with waterfall quartz or a rustic bathroom with rich, warm tones, each space we craft is unique and bespoke.

Our gallery highlights the broad aesthetic spectrum we cover—from bold and dramatic, to soft and subtle, to ultra-modern. Each image tells a story of collaboration, creativity, and care.

## Transformations Worth Sharing

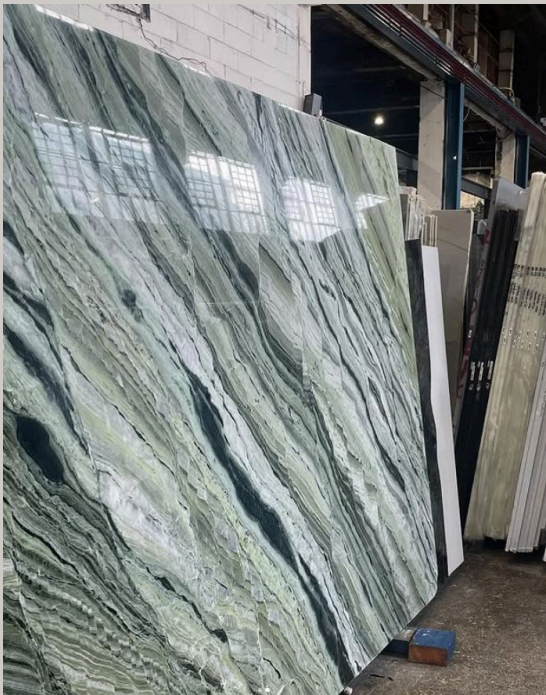

**At Marble & Granite Ltd, we have extensive experience designing, crafting, and installing bespoke stone fireplaces, tailored to suit both traditional and contemporary interiors. Our expertise ensures that every fireplace we create is not only a beautiful centerpiece but also a lasting and functional feature of your home.**

**When you work with us, you're not just choosing a material—you're choosing experience, reliability, and results that speak for themselves.**

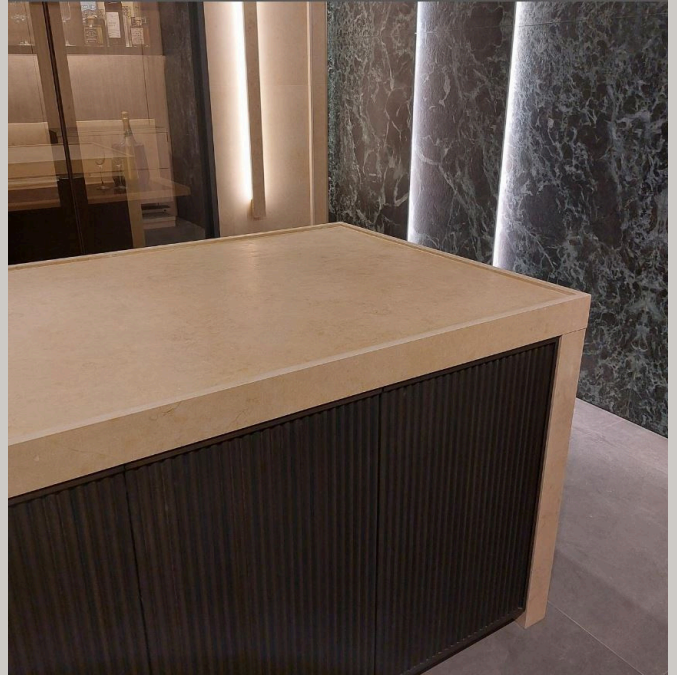

**Our reputation is built on trust, attention to detail, and an uncompromising commitment to quality.**
