1

Assemble the matching plastic feet H to the bottom of positions A,B,C and D on the right, and fully tighten them.

2

Assemble the matching plastic feet H onto the bottoms of A, B, C, and D, and fully tighten them. Place the left A, B, C, and D together and lock them in sequence using the vise grip kit. Arrange the foot pad E according to actual requirements, place the backrest in the direction indicated by the arrow, and align and fasten the two ends of the zipper together.

Cushions will break-in with use and may become compressed or wrinkled over time.

To restore their appearance it is recommended to unzip and manipulate the cushions to redistribute filling, realign the seams, and achieve the balanced look and feel. To ensure even break-in, regularly rotate the cushions from one seat frame to another.

Fabric Covering

Quality upholstery will last for years if some basic advice is followed.

DO

Rotate reversible cushions regularly.

Vacuum your furniture regularly (using a soft brush attachment)

Shampoo using an upholstery shampoo (test on an inconspicuous area first).

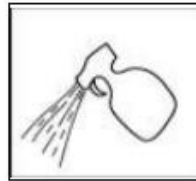

Always remove excess spills immediately from the surface of the furniture with a clean absorbent cloth using a light dabbing action.

Allow thorough drying before re-use.

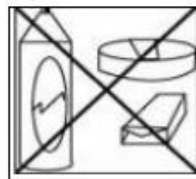

DO NOT

Do not wet fillings

Do not scrub with a stiff brush.

Do not use common household detergents
