

PLEASE READ this sheet prior to assembly to familiarise yourself with the various stages of construction. Carefully open the pack supplied and check the contents against the parts and fittings check list.

Do not destroy any of the packaging until you are certain that you have all the necessary parts for the assembly.

Please ensure that the packaging is disposed of in a safe and environmentally friendly way.

CAUTION: There are small components used in the construction of this unit. These loose items should be kept away from young children whilst assembling your unit to avoid the danger of choking hazards.

CARE & MAINTAINANCE

For Care & Maintenance information please refer to the attached leaflets.

Please retain your assembly instruction for future use.

This assembly requires two people.

Ensure your area is clear from any unnecessary packaging and you have enough space to lay out the parts before assembly.

Step 1

Ensure both pins are securely located into the slots.

Step 2

WARNING

Before connecting to power supply ensure all cables and transformers are free from moving parts.
