

Dreame Miracle Pro

High-Speed Hair Dryer

Miracle Pro is an advanced intelligent hair dryer featuring 3D atomization, dual-wavelength red light care, and real-time adaptive airflow control. With a 130,000RPM motor, high-concentration negative ions, and precision styling modes, it delivers efficient, protective, and professional-grade results.

Key Features

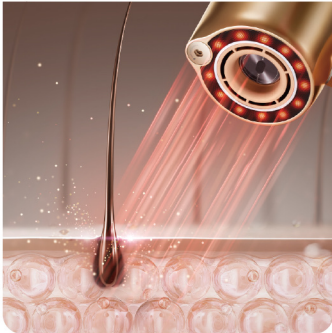

Atomization for Nutrient Delivery

Powered by the atomization technology, Miracle Pro converts nutrient essences into a fine mist for even hair diffusion, protecting the cuticle from heat damage and maintaining scalp health with a refined scent.

High-Speed Drying with Dynamic Thermal Control

Real-time intelligent sensing adjusts airflow and temperature to optimize heat output and reduce damage. Powered by a high-performance 130,000RPM* motor, it ensures fast drying with reduced mechanical stress.

Dual Red Light for Scalp Revitalization

Dual-wavelength red light (1064nm and 633nm)* stimulates scalp microcirculation and enhances nutrient and oxygen delivery to hair follicles, promoting follicular metabolism and root health.

Versatile Nozzles with Customizable Control

Miracle Pro includes four magnetic attachments for versatile styling, an LED display with configurable modes, and an integrated nozzle memory system that automatically recalls and adjusts heat settings.

Specifications

Rated Voltage	220-240V
Rated Power	1,600W
Rated Frequency	50/60Hz
Unit Dimension	82*86*263mm (3.2*3.4*10.4in)
Wire Length	2.8m
Net Weight	420g (0.9lb)
Negative Ions/cm ³	600,000,000
High Speed Motor	130,000RPM
Noise Level	76dB
NTC Thermistor	Checked 1000 times per second

Features

 Essence Infusion Mist	 Red Light Scalp Reinvigoration	 130,000RPM Powerful Motor
 Heat and Airflow Regulation	 600,000,000 Negative Ions/cm ³	 Customizable Modes

What's in the Box

 Miracle Pro x1	 Diffuser Nozzle x1	 Styling Nozzle x1	 Smooth Nozzle x 1	 Unfrizz Nozzle x1	 Hair Care Essence x1
