**LUMINA STONE**  
THE NEW QUARTZ ERA  
BY GRANITE GRANITE LIMITED

Lumina stone is 93% quartz, one of nature's hardest minerals.

Lumina Stone brings together the benefits and durability of engineered stone, with the look of high-end natural stone

**Nano Enhancement of Surfaces (NEOS)** is a new high-performance stain and substance repellent technology developed for Lumina Stone

**NSF.** Lumina Stone was evaluated and certified by NSF international as a safe material for direct food contact. This gives the assurance of maximum safety and protection to our customers and final consumers

The **Greenguard**. Indoor Air Quality Certification Program verifies that products used in indoor environments, such as building materials, finishes and furnishings are compliant with stringent emission levels for over 10,000 volatile organic compound's (VOCs).

**Greenguard Children & Schools SM.** Certification program was developed by evaluating chemical sensitivities of children along with unique building characteristics of schools. It presents the most stringent product emissions criteria to date for low-emitting materials.

**15 years warranty.** It is essential for us to ensure that Lumina stone retains its functionality, its beauty and its strength. Therefore, we pledge to 15 years warranty. We fully support our products and we are always at your service to answer questions, solve problems and make sure you get the maximum satisfaction.

THE NEW QUARTZ ERA

## QUARTZ SURFACE

Lumina Stone is 93% Quartz, one of nature's hardest minerals. In a unique process, we take the innate strength of quartz and combine it with numerous polymers and pigments. The result is a range that's durable and beautiful in a wide variety of colours and finishes.
