

Ordering Guide / What to Expect

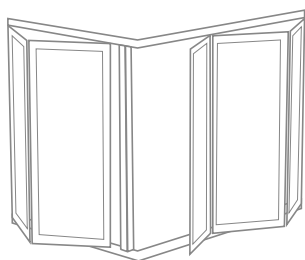

Step 1 – Order

Choose your bi-fold door size and colour and place the order on [Costco.co.uk](https://www.costco.co.uk). Our package comes with survey and installation, so once you checkout; Origin will assign a Certified Trade Partner who will contact you within 48 hours to arrange a date for survey.

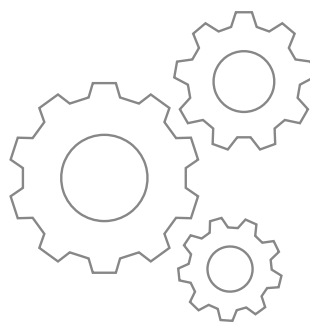

Step 2 - Survey

Your surveyor will address additional options (such as whether the doors open inward or out) and to ensure you have ordered the correct size.

Step 3 – Production

Once all details are confirmed your order will go into production with an agreed date for installation. Depending on your agreement with your Trade Partner, you should be able to receive your bi-folds in as little as four weeks.

Step 4 - Installation

Your doors will be delivered by dedicated experts and will be installed. Installation will come with a Trade Partner installation guarantee of up to 10 years (installer dependent).
