### OVERVIEW

Step into the realm of excellence with the Contender 290 Litre Ice Cream Freezer — engineered for durability, style, and reliability in the busiest catering environments. Perfect for restaurants, deli shops, sandwich bars, and supermarkets, it's built to perform tirelessly day after day, helping you deliver the finest frozen treats with confidence.

Featuring sleek twin curved sliding glass lids, this freezer combines elegance with practicality. The fully adjustable thermostat and controller ensure precise temperature control, while the easy-to-clean aluminium interior keeps ice cream, gelato, and frozen goods at their freshest and most appealing.

Designed for everyday efficiency, the Contender 290 includes three handy baskets for organised storage and quick access. Whether for display or storage, it offers dependable performance, exceptional value, and the quality your business deserves — your trusted partner in creating the ultimate frozen experience.
