Special events

New and exciting products available at your local warehouses for a limited time only.

Special events (also known as Roadshows) are items that are in the warehouse(s) for 5-14 days. The event can happen in a few buildings or in multiple buildings.

These special items, having limited exposure, are meant to establish ongoing excitement in the buildings. The events also provide an opportunity to test items or categories of merchandise not previously sold by Costco.

Events are subject to change.
Dates and events are subject to changes and cancellations; please contact the warehouse for full details.
