Storage & Heating Instructions

Store chilled in a refrigerator. The pies have a 6-7 day refrigerated shelf life and can be frozen if necessary. To reheat, remove all packaging, place on a baking tray and bake for 18-20 minutes in a preheated 180-190°C oven. If frozen, defrost thoroughly overnight in the fridge before use.

Keep refrigerated. Suitable for freezing on day of purchase (once defrosted use within 2 days).
