

Discreet yet functional, this Vertical Storage Shed is the perfect storage solution when space is limited.

Made in the UK from a 0.6mm thick, powder coated, durable, galvanised steel, the vertical storage unit is available in two colours – anthracite grey or sage green and comes with a 25 year warranty for added peace of mind.

Featuring two outward opening doors, a robust stainless steel door handle with euro mortice lock and 3 spare keys for added security. Inside, there are two height adjustable shelves, two tool hangers to support larger items such as brooms or garden hoses and an integrated organiser system on each door ideal for hanging garden tools or other small objects.

The Vertical Shed is also supplied complete with a solid, anti-slip, weatherproof floor, ground anchor kit, integrated ventilation system and prefabricated steel external gutter and downpipes.
