

GO•UP DELUXE LIGHTS

4-height adjustable aluminium T-bar with comfortable, dual-colour TPR ergonomic grips and an anti-scratch sleeve inside the anodized column, for kids aged 15m to 9+.

Smart footrest storage.

3-height adjustable, soft and extra-wide TPR seat, mounted on a tool-less seat support bar, which easily and safely moves the seat upward and backward with a knob for maximum comfort and space.

Extra-long and wide composite rear brake delivers brake efficiency and prolongs wheel longevity.

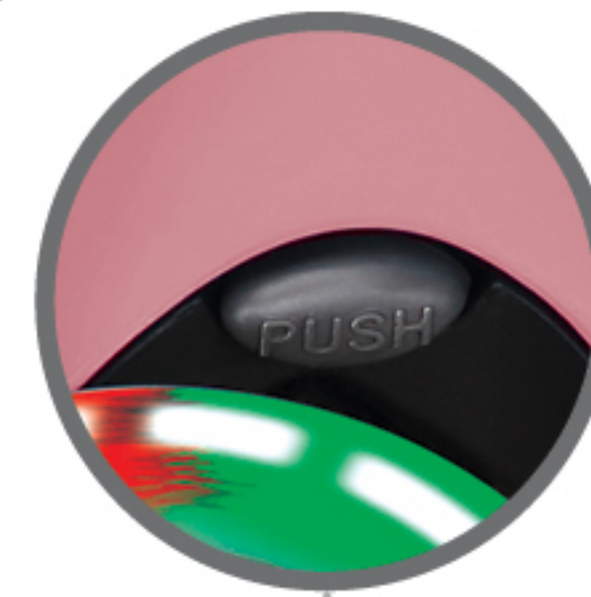

Extra-long and extra-wide, removable footrest, with an easy-to-release spring-loaded button, for more comfort and safety.

100% screw-less design to easily assemble and transform the product into ride-on, walking bike and scooter.

Patented folding system with a safe and easy side push button, integrated in the wide, anti-slip composite deck on a super-low metal reinforced structure, which supports up to 50kg. Trolley mode compatible.

Two battery-free LED light-up, high-quality and high-rebound 121mm front PU casted wheels flash in red, green and blue, and one 80mm rear PU casted wheel, mounted on ABEC 5 bearings.

Patented steering lock button fixes the steering system of the two front wheels to only move forward & backward.
